HALICA

About Us

Dear Sir/Madam,

Halica was founded in **1975 in BURSA**. In line with our vision and mission, we aim to be a company that has set out to be with you from generation to generation and progresses on this path with its entire staff without compromising quality.

As Halica, it gives us happiness to complete places with carpet, which is one of the most important links that give identity to spaces that we live.

The main reason of our selection among other producers is our “Adding value to our business counterpart”. We are undertaking prestigious global projects including famous hotel chains and luxurious private / institutional decorations.

With its experience about Textile Industry, It will be an honour for **KARAKUSLAR INC.** to be with you in project basis businesses.
